

# PREMIUM MATTE TICKET

Premium matte coated inkjet paper, optimised for printing high-quality graphics and photos with pigmented inks. With a thickness of 127µm, it is ideal for use in ticketing and signage applications. The smooth, bright white surface with a matte finish, in combination with Epson DURABrite Ultra pigment inks, ensures fast drying, scratch, water and heat resistant printouts.

## Suggested applications

- Ticketing
- ID badge
- Shelf-tag
- Sign printing
- Product identification tag
